### Play the Dreidel Game!

1. Start the game with each player having the same number of gelt (coins), candy, nuts, or anything small that you have on hand.
2. Each player puts one piece in the pot.
3. Take turns spinning the dreidel, and take the action corresponding to the Hebrew letter it lands on.
4. When the pot is empty or has one piece left, go back to step 2 and repeat the process.
5. When a player loses all their pieces, they are out.
6. When one player has all the pieces, or when only one player has pieces, the game is over. That player is the winner!
