

For Hispanic Heritage Month, we're teaming up with UScellular to celebrate and recognize influential Hispanic and Latinx icons from the world of STEM (Science, Technology, Engineering, and Math).

Find someone who inspires you and use the space below to create a drawing or work of art that celebrates them and/or their accomplishments.

Need some inspiration? Visit virtualbgc.org/printable-hispanic-heritage-STEM to learn about 12 influential Hispanic icons.

Title: _____ **Artwork by:** _____

Who is your Hispanic / Latinx icon? _____

Circle which field this person served in: **S T E M**
